Gloss hi-res magazines

Using
PDFX1A 2001
settings in your
Acrobat Distiller.

For BEST results
save files/pages as
an EPS file.

Drag & drop the
EPS file onto your
Distiller window
and it will create
PDF files.

*Settings from the
original application,
such as InDesign &
Quark, do not always
reproduce correctly
if you make a PDF
straight from the
application.*
